| THE REPORT.

FootballTransfers say United lead the race for Castello Lukeba and are preparing an offer around €60–65m, under his €80m release clause. Talks with his camp are reported. Linked, not done.

0202 / 06

| WHO HE IS.

A 23-year-old France centre-back at RB Leipzig. Left-footed, calm in possession, mature beyond his years. He joined from Lyon in 2023 and has 99 club appearances.

0303 / 06

| WHY UNITED.

United have spent two seasons short of a natural left-sided centre-back. Lukeba is exactly that profile, young enough to build around. He is reported as the primary defensive target this window. (*RUMOUR / LINKED — no bid confirmed*)

0404 / 06

| THE PRICE.

Leipzig's release clause sits at €80m, down €10m on last year. United are said to be working toward €60–65m, under the clause. Whether Leipzig accept a discount is the negotiation.

0505 / 06

| THE COMPETITION.

Bayern and City have history here. Arsenal and Chelsea have been linked. Barcelona have made initial contact. United are described as furthest along, but they are not alone.
