

— LEGENDS · NO. 10

THE GOLDEN ARGENTINA.

BOY OF

*Diego Maradona · Argentina · 1960 to
2020.*

A 6-part breakdown

SWIPE ▶▶▶▶

0101 / 06

| A BOY FROM VILLA FIORITO.

He grew up poor in Buenos Aires and turned a worn football into a way out. By his teens the whole country knew his name. *Genius from nothing.*

0202 / 06

| NAPOLI'S SAVIOUR.

He took an unfashionable southern club and made it champions of Italy twice, in a league ruled by the north. *He gave a city its pride.*

0303 / 06

1986, THE SUMMER THAT WAS HIS.

At the World Cup in Mexico he dragged Argentina to the title almost single-handed.
One man, one tournament.

0404 / 06

FOUR MINUTES AGAINST ENGLAND.

The Hand of God, then the Goal of the Century, sixty yards past half a team. Football's most famous contradiction, in the same match. *Devil and angel in one.*

0505 / 06

| THE NUMBER TEN.

He made the number a myth. Left foot, low centre of gravity, impossible balance. Every playmaker since has chased his shadow. *The shirt belongs to him.*

0606 / 06

| ETERNAL.

Diego Maradona died in 2020. In Naples and across Argentina, he is mourned like family still. *Diego, forever.*
