| THE FERNANDES QUESTION.

Mateus Fernandes — 21, Portugal, West Ham.
One of the most coveted young midfielders in
the league. *And a price that won't drop.*

0202 / 07

| WHO HE IS.

A composed, press-resistant central midfielder who joined West Ham from Sporting CP — technical, two-footed, mature beyond his years. *Contracted until 2030.*

0303 / 07

| THE PRICE.

West Ham value him around £80m — Fabrizio Romano reports an asking price near £85m.
No release clause: they set the number, and they are in no rush to sell. *(reported)*

0404 / 07

| WHY UNITED.

United have spent two seasons short of control in midfield. They have held talks with his representatives, and the player is said to be extremely keen on Old Trafford. (*RUMOUR / LINKED — no bid confirmed*)

0505 / 07

| THE COMPLICATION.

It is not just United: Arsenal and PSG are circling too, and West Ham are dubious United can even afford the fee. *Sources: Sky, Romano, CaughtOffside.*

0606 / 07

| THE QUESTION.

At £80m+ he is no bargain — he is a statement signing. Would you back United to pay it, or walk away? *Same player, a very different gamble.*
