| THE REPORT.

David Ornstein says Summerville is high on United's left-wing list. They have enquired; West Ham want around £50m; it may come as a double deal with Mateus Fernandes. Linked, not done.

0202 / 06

| WHO HE IS.

A 24-year-old Netherlands international. A left winger who cuts inside on his right, quick and direct, fearless in a one-v-one. Leeds made him; the Premier League is testing him.

0303 / 06

| THE LEEDS PEAK.

2023-24 in the Championship: 19 goals, 9 assists, and the EFL Player of the Season award. The season that put the big clubs on alert.

0404 / 06

| THE WEST HAM REALITY.

A steadier top-flight return: about five league goals in 31 games this season. Flashes of the Leeds player, not yet the full picture.

0505 / 06

| WHY IT MAKES SENSE.

He is 24 and the Leeds ceiling, 19 goals and 9 assists, says the talent is real. Sell Zirkzee, push Cunha central, and the left opens for a Premier League-tested winger with four years on his deal. A reinvestment, not a punt.

0606 / 06

| WHY IT MIGHT NOT.

Even with Cunha drifting central, is £50m the best use of the Zirkzee money on a winger off five league goals? It is depth in a role Cunha can already cover, in a front line already stocked with Mbeumo, Mount and Šeško.
