

— THE LEDGER

REAL MADRID'S REAL SUPERPOWER ISN'T ON THE PITCH.

It's the most disciplined wage model in sport.

A 5-part breakdown

SWIPE ►►►

0101 / 05

| NO ONE BREAKS THE CEILING.

A strict top wage tier. No signing, however big, goes above it. *No arms race in the dressing room.*

0202 / 05

| IMAGE RIGHTS PAY THE WAGES.

Madrid reportedly take about half of a player's endorsement income. *Your own brand helps fund your salary.*

0303 / 05

DECLINE MEANS ONE-YEAR DEALS.

Past 30 or dropping off? Rolling 12-month terms only. Say no, you leave free. *No legacy contracts.*

0404 / 05

| WHY IT HOLDS.

Wages capped as a share of revenue. Cash kept for young talent. *Compliant while rivals sweat the rules.*

0505 / 05

| THE TIERS, SIMPLIFIED.

Four wage bands. Superstars capped at the top. Squad players nowhere near. *Discipline as a system.*

— THE TAKEAWAY

COULD THE PL COPY **IT?**

Save this. Can any Premier League club run this under PSR and the new 85% rule? Tell us — follow @thearchv_ca.
