A 6-part breakdown

SWIPE ►►►

0101 / 06

| LEEDS, THEN A TITLE.

Before United he won the 1992 First Division title with Leeds, the last before the Premier League. Then he crossed the Pennines and changed everything.

0202 / 06

| THE 26-YEAR WAIT ENDS.

United had not won the league since 1967.
With Cantona at the centre, they were
champions within a year.

0303 / 06

| FOUR IN FIVE.

Four Premier League titles in five seasons,
and two League-and-FA-Cup Doubles. The
spine of a dynasty.

0404 / 06

| THE MENTOR.

He set the standard the Class of '92 grew up to: Beckham, Scholes and the Nevilles watching how a champion trained.

0505 / 06

| LE FOOTBALL, C'EST L'ART.

Collar up, back straight, the audacious chip and the killer pass. He played like he had somewhere more interesting to be, and made you watch.

0606 / 06

| OUT ON HIS OWN TERMS.

He retired at 30, walking away at the top. The King, then and now.
