0101 / 07

| NETHERLANDS V JAPAN.

Group F · AT&T Stadium, Dallas · Sunday June 14 · 3 PM CT / 4 PM ET. *Three-time finalists against the great giant-killers of 2022.* (RE-VERIFY exact kickoff on the day.)

0202 / 07

| SO CLOSE, SO OFTEN.

The Netherlands have reached three World Cup finals — 1974, 1978 and 2010 — and lost all three. The best team to never win it. *Still chasing the one trophy that eludes them.*

0303 / 07

| THE GIANT-KILLERS.

In 2022 Japan beat Germany AND Spain in the group stage, topped a group of death, then fell to Croatia on penalties in the last 16.
No European side takes them lightly now.

0404 / 07

| DUTCH THREAT.

A spine built on Premier League and European pedigree — pace and finishing out wide, control through the middle. When the Dutch are calm, they are relentless. *(verify lineup/form before render)*

0505 / 07

| JAPAN'S EDGE.

A fearless overseas generation playing across Europe's top leagues — quick, technical and drilled to press in waves. *(verify lineup/form before render)*

0606 / 07

| PEDIGREE VS PROOF.

The Netherlands carry the history. Japan carry the scalps. One side has to show 2022 was the new normal, not a one-off. *The story of the match.*
