A 6-part breakdown

SWIPE ►►►

0101 / 06

| A TALENT LIKE FEW OTHERS.

He came through Sporting and earned a move to Barcelona at nineteen. The ability was never in doubt. *Pure, restless flair.*

0202 / 06

| THE TRIVELA.

His signature: a shot or cross struck with the outside of the right foot, bent into places a normal foot cannot reach. *A trick that became an art.*

0303 / 06

| A CAREER ON HIS OWN TERMS.

Porto, Inter, Beşiktaş and more. He moved often and rarely conformed, but the magic followed him everywhere. *Brilliant, and his own man.*

0404 / 06

| BEŞİKTAŞ ADORED HIM.

In Istanbul he found a home, won titles, and scored some of the finest goals of his life.
Loved where he was understood.

0505 / 06

| EURO 2016.

Off the bench for Portugal, he buried the winning penalty in the quarter-final shootout against Poland and helped his country to its first major trophy. *A champion of Europe.*

0606 / 06

| STREETS WON'T FORGET.

Ricardo Quaresma made football look like a magic trick. *The trivela was his signature.*
