

— WORLD CUP 2026 • ROUND OF 32

BELGIUM WERE TWO GOALS DOWN WITH FIVE MINUTES LEFT.

Then the Red Devils did something a World Cup knockout stage almost never allows.

A 6-part breakdown

SWIPE ►►►

0101 / 06

THE SCORELINE SAID IT WAS OVER.

Eighty-five minutes gone, Senegal two nil up, cruising toward the last sixteen. *Belgium had barely threatened all night.*

0202 / 06

SENEGAL WERE THE BETTER SIDE. ALL GAME.

Habib Diarra opened the scoring in the 25th minute. Ismaila Sarr doubled it just after the hour. *A deserved lead, built on the better performance.*

0303 / 06

| LUKAKU, 86TH MINUTE.

The substitute drags one back with five minutes of normal time left. *Not enough on its own. Just enough to change the mood.*

0404 / 06

| TIELEMANS, 89TH MINUTE.

Three minutes after Lukaku's goal, Belgium level it. Two all. *A game that was finished is suddenly going to extra time.*

0505 / 06

| THE 125TH MINUTE.

Deep into extra time, VAR awards Belgium a penalty for a foul on Tielemans. He steps up himself and finishes it. *Three nil down to two nil up, in the space of forty minutes.*

0606 / 06

| TWO DOWN. THROUGH ANYWAY.

Belgium 3, Senegal 2, after extra time. *This is what a World Cup knockout stage does to the teams who think it's already decided.*
