KEY PLAYERS: CANADA V BOSNIA — BY THE NUMBERS

Six players who decide Canada's first home World Cup match — the numbers they bring to Toronto.

A 6-part breakdown

SWIPE ►►►

0101 / 06

JONATHAN DAVID –

STRIKER

39 goals in 75 caps · Juventus. Canada's all-time leading scorer, cold enough in front of goal to earn the name 'the Iceman.' *He carries the line, and the expectation.*

0202 / 06

ALPHONSO DAVIES –

CAPTAIN

58 caps · 15 goals · Bayern Munich. Canada's captain and quickest weapon, racing a hamstringing injury to be fit for his home World Cup. *If he plays, he changes it.*

0303 / 06

STEPHEN EUSTÁQUIO –

MIDFIELD

56 caps · 4 goals · LAFC, on loan from Porto.
The vice-captain who sets Canada's tempo
from deep. *Everything good runs through
him.*

0404 / 06

| EDIN DZEKO — STRIKER

73 goals in 148 caps · Schalke 04. Bosnia's all-time top scorer and most-capped player — at 40, the last of the golden generation.

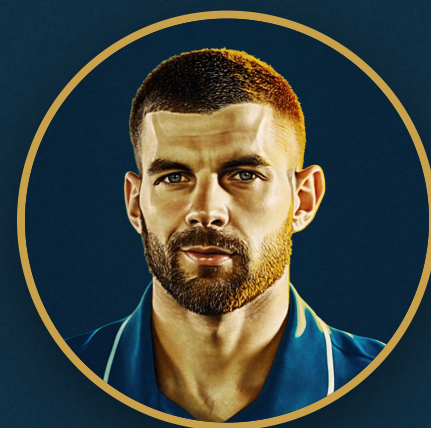

Twelve years on, still the one they look to.

0505 / 06

ERMEDIN DEMIROVIĆ – [?][?] FORWARD

36 caps · 4 goals · VfB Stuttgart. The number ten who does the pressing and link-up so Dzeko can stay in the box. *The dirty work that makes it click.*

0606 / 06

ESMIR BAJRAKTAREVIĆ –

WINGER

16 caps · 1 goal · PSV Eindhoven. The 21-year-old who buried the decisive penalty against Italy to send Bosnia here. *Born in the US, breaking hearts for Bosnia.*
